

<b>101319</b>	<b>Andalusian and Maghrebi Literature</b>	<b>(3 credit hours)</b>	<b>( prerequisite -)</b>
---------------	---	-------------------------	--------------------------

This course aims to connect the student with the intellectual and literary heritage of Andalusia and the Maghreb. It overviews the properties, themes, phenomena, and artistic traits of Andalusian and Maghrebi poetry, and discusses the impact of the Andalusian environment on this genre. The course additionally deals with the features and properties of prose in Andalusia and the Maghreb. The elegance and refinement of Andalusian and Maghrebi poetry and prose is substantiated through the analysis of sample literature.
