Documents Structure Collaborators Sustainable Development Goals 2023 New

New: See at one glance Sustainable Development Goals mapped to this organisation  
Sustainable Development Goals (SDGs) are specific research areas that are helping to solve real-world problems. Elsevier data science teams have built extensive keyword queries, supplemented with machine learning, to map documents to SDGs with very high precision. Times Higher Education (THE) is using Elsevier SDG data mapping as part of its Impact Rankings. [More about SDGs](#)
